

Falmouth Historical Society  
Secretary's Annual Report

October 9, 2013

This year of transition got underway last November 20, 2012 with a meeting of the new Board of Directors. Scott did an orientation for the new Board members and we settled in to our new and continued roles.

The Board met in January, March, May, June, July, and September with the July meeting being held in the barn at the Museum.

Some of the highlights of the meetings were planning for the Memorial Day parade; opening and closing of the Museum, the redesign of the website, and the wonderful programs that have been presented with the collaboration of the Falmouth library and American Legion Post.

There has been a wonderful spirit of enthusiasm this year and a feeling that there are more great things that will come from this organization in the future. Not everything we hoped to accomplish this year managed to get done, but with the continued cooperation that has been prevalent so far, we look forward to another productive year next year.

Respectfully submitted,

Betsy Jo Whitcomb  
Secretary
